Dear Members,

Consultation on new CPD Scheme

HKSCPO is introducing the new CPD (Continuing Professional Development) Scheme to replace the existing CEC Scheme. The new CPD Scheme covers and reflects extensively the current academic and professional activities. The new Scheme will also align with the similar schemes of other allied health professions. The CPD Committee is consulting members for your comments on the new Scheme. The consultation period is currently started and will end on 31st August, 2009. Please send your comments and suggestions on the new CPD proposal to

Mr. Don WU
CPD Committee, HKSCPO
C/O: Prosthetics & Orthotics Department

All the valuable comments collected during this consultation period will be used for deliberating to the final CPD guideline by the CPD Committee. The reviewed CPD Scheme will be introduced in next triennial cycle of 2010- 2013 to replace the existing CEC scheme for validation of CPD credit.

Your active participation is always indispensable to the success of our society!

Yours truly,

Don WU, CPO (HK)
